Contract Riders

**Partial Disability/
Enhanced
Residual
Disability Rider**

Protector Platinum partial disability benefits are provided in the base policy. The insured will be considered partially disabled during the initial period if there is at least a 20% loss of duties, time or income. The initial period is defined as the benefit waiting period and the first six months that benefits are payable. During this initial period, after the benefit waiting period is satisfied, the benefit payable is equal to the basic monthly benefit.

After the initial period, a benefit will be paid as long as there is at least a 20% loss of income. Benefit varies based on income loss.

Immediately after insured has recovered from disability, a recovery benefit will be paid if insured experiences a loss of income of at least 20%, and the loss of income is solely the result of the previous injury or sickness. Monthly benefit will be proportionate to loss of earnings.

This language is included in the base policy.

Platinum Advantage residual disability benefits are provided by optional rider. During the benefit waiting period insured will be considered residually disabled if there is at least a 20% loss of duties, time or income. After the benefit waiting period, a benefit will be paid as long as there is at least a 20% loss of income. Benefit varies based on income loss but during first 12 months the benefit will be no less than 50 percent of monthly benefit.

Recovery benefit paid if, after a period of disability, insured is working in regular or any occupation at least as many hours as prior to disability and continues to have a loss of earnings of at least 20%, and loss of earnings is solely the result of the previous sickness or injury. The amount of the recovery benefit will be proportionate to loss of earnings. Premium waiver applies while recovery benefits are paid.

Available to occupation classes 5A, 5P, 4A, 4P, 4S, 3A, 3D and 3P, through issue age 60.

Platinum Advantage removes the residual (partial disability) and recovery language from the base policy and introduces it as a rider. This allows an insured to select the rider language that fits them best. The Enhanced Residual Disability Rider is the most comprehensive available and closest to the partial disability language in the Protector Platinum policy.

The Enhanced Residual Disability Rider allows the insured to meet the definition of disability during the waiting period if there is at least a 20% loss of duties or time or income; and after the benefit waiting period insured must experience at least a 20 percent loss of income. It also pays a 50% minimum benefit for up to 12 months.

The Enhanced Residual Disability Rider does not pay six months of the full monthly benefit after the waiting period as was paid under Protector Platinum. The Enhanced Residual Disability Rider is no longer available to issue ages 61 and older.

The recovery benefit, included with the Enhanced Residual Disability Rider requires the insured to be working in his or her regular occupation or any other occupation and working at least as many hours worked prior to disability, in addition to having at least a 20% loss of earnings.
